

# FLOWER PIN

1. Die cut 10 large and small scallop circles using the Big Shot and the Scallop Circles #2 die.
2. Cut off eight scallops from each large scallop circle.
3. Double thread needle with quilting thread and gather stitch across straight side of large scallops 1/4" from the edge. Gather all 10 circles on one thread.
4. Pull thread tight and connect thread back through first scallop to form circle.
5. Using same thread gather across three small scallops for 10 small scallops.
6. Pull thread tight and connect thread back through first to form second circle.
7. Attach circle to center of larger one with small whip stitch.
8. Place button in center to cover opening.
9. To cover button: Cut small scallop and trace button on back of fabric. Draw line 1/4" from button. Gather stitch drawn line. Place button in center of gathered stitches and pull tight. Material will draw up around button and cover. Attach to flower center.
- 10 Congratulations you have finished the project. Hope you had fun!
